RIGHT GLOVE FOR THE RIGHT APPLICATION
#1PU3000
- 13 Gauge Seamless Gray Nylon Shell
- Palm Dip Of Polyurethane
- Knit Wrist With Color-Coded Hem
- Breathable Back, Sanitized® Treated

#1UH7830
- 15 Gauge Seamless Nylon/Spandex Shell
- Palm Dip Of Super-Thin Foam Nitrile/Polyurethane
- Knit Wrist With Color-Coded Hem
- Breathable Back

#1UH7840
- Acrylic Terry-Lined Polyester Shell For Maximum Warmth
- Sandy Foam Nitrile Coated Palm
- Knit Wrist

#1UH7841
- Acrylic Terry-Lined Polyester Shell For Maximum Warmth
- Fully Coated Sandy Foam Nitrile Coated Palm
- Knit Wrist

RELATED APPLICATIONS:
Assembly • Automotive • Construction • Electrical • Equipment Operation • Lumber/Carpentry • Farming/Landscaping • Iron/Steel/Metal Work • Packaging/Shipping • Parts Handling

## Chemical Resistance Chart

The Chemical Resistant Chart is provided as a guide for qualified professionals who recommend, select, specify or otherwise determine the suitability of protective products for worker safety and is provided for advisory purposes only. The suitability of a product for a specific application must be determined and tested by the purchaser. Boss Manufacturing Company assumes no responsibility for the suitability of a user’s product selection for a specific application. Select the coating with the highest rating in the Physical Properties Chart, then check the Chemical Resistant Charts.
